

SMART MAT® FOR GLOCK®

TABLE GRIPPING, OIL REPELLING, SHOCK ABSORBING, PARTS SECURING, GLOCK CLEANING AWESOMENESS.

Why do we call this a Smart Mat? This mat was built by people who know guns inside and out and were fed up with the old way of doing things. It is the perfect size to handle a fieldstripped Glock with the visible instructions to help you break it down. The attached parts tray ensures your pins and springs are never lost again. The mat's oil-resistant surface allows you to properly clean your gun without ruining the kitchen table. The Glock Smart Mat is everything your greasy towels are not. Maybe Smart Mat is an understatement.

THE MOST CAPABLE, USER-FRIENDLY, SMARTEST CLEANING MAT EVER.
