

# BOLT CATCH PUNCH SET

## EASILY REMOVE & INSTALL BOLT CATCH RETAINING PIN.

Two punches, one simple solution to the difficult to access bolt catch retaining pin. The orientation of the pin, close proximity to the lower receiver, distance required to safely punch a pin and the difficulty in getting the pin started makes it a real pain with standard punches. Our simple solution, a one-two punch combo specially designed to fit flush against the receiver without damaging it and long enough to reach the pin. It features a roll pin punch for removing pins and a magnetized roll pin starter punch that eliminates the need for a third hand. Smart, simple, frustration free.

SPECIALIZED  
AR15 BOLT CATCH  
PIN STARTER &  
PIN PUNCH SET

### EASY ACCESS TO ONE HARD TO REACH PIN.
